

Together we learn, together we grow.

Friday 17th January 2025

Dear Parents/Carers,

Annwyl Rhieni,

Digiteers News:

The Digiteers award children across the school with the 'Digital Citizen Award' once a month. These are children who have looked after the digital technology, kept themselves and other's safe online or may have helped a friend with a digital question. Da iawn to these

pupils who won the award this month. The Digiteers are working hard with Miss Pearson to improve online safety across our school, and they will be sending out a special designing competition next week for homework for the whole school to join in with.

Estyn:

This week we received a phone call from Estyn, as our School has been recognised for the work it has been doing. Estyn wish to speak to the children and staff to share our good practice with all schools across Wales. There will be no report at the end of the visit, as this is purely to share good practice with Estyn. We are all looking forward to welcoming Estyn in February and sharing our Learning Journey.

Awards:

Well done to all the children who have received awards this week. Bendigedig pawb!
