

Together we learn, together we grow.

Friday 23rd January 2026

Dear Parents/Carers,

Annwyl Rhieni,

Scooters:

We have recently noticed a couple of children riding their scooters outside school without wearing helmets. For everyone's safety, please ensure that all pupils wear a properly fitted helmet when using scooters, bikes, or skateboards on the journey to and from school and

also after school. Helmets play an important role in preventing head injuries, and we want to keep all our children safe. Thank you for your support in reinforcing this important message at home. Please can we also ask that children are mindful of pedestrians whilst using their scooters, bikes or skateboards.

WINTER OF ACTION

E-SCOOTERS Q&A

Know the law and the risks, or lose your e-scooter or even worse, your life.

Q Can I ride my private e-scooter on pavements or roads?

A Privately owned e-scooters are **illegal anywhere in public places**, so roads, cycle lanes, pavements and parks, are all off-limits. You can only use them on private land with the **owner's permission**.

Q I was told they are just like bikes, so they don't need a licence or insurance, do they?

A A private e-scooter is classified as a motor vehicle. Riding one in public without **insurance, licence, tax, and registration** risks a fine, penalty points, and seizure.

Q Is it okay for two people to ride an e-scooter?

A E-scooters and standard e-bikes are engineered for a single rider. Adding a second person throws off balance, strains the brakes and motors, and dramatically increases the likelihood of a crash and risk of **serious injury**.

Wellbeing Group:

CHILDREN'S CENTRE PSYCHOLOGY

WELLBEING GROUP FOR PARENTS/CARERS

February 5th, 12th & 26th & March 5th 2026 - 12:30 - 2:30

WHAT IS IT ABOUT?

Being a parent/carer of a child/young person with additional developmental needs brings huge amounts of joy and pleasure. But it can also bring a lot of challenging experiences. At times, we can all feel stressed, worried or uncertain in our role as caregivers.

This group is based on Acceptance and Commitment Therapy (ACT). ACT supports skills in managing difficult thoughts and feelings when they arise and helps us make choices which bring us closer to the hopes and dreams we have for our family.

WHO IS IT FOR?

Parents and carers of children with developmental delays and/or disabilities who access two or more services at their local Children's Centre.

WHAT DOES IT INVOLVE?

The four-session group takes place at **Serennu Children's Centre** on **Thursday 5th, 12th and 26th February and 5th March between 12:30 - 2:30.**

We will introduce you to practical skills and strategies from ACT which can help you to manage difficult thoughts and feelings. We will think about what really matters to you as a parent/carer and how those values can help you to respond in tricky situations.

HOW TO FIND OUT MORE?

You can register your interest for this group by scanning the QR code below, or following this link, both of which will take you to a form <https://forms.office.com/e/JckDE4JfTE>
